## COMMISSIONERS TO CONSIDER BUSINESS REOPENING PLAN DURING EMERGENCY SESSION

WINNEMUCCA, Nev—The Humboldt County Commission will meet in emergency session Friday to consider Governor Steve Sisolak's ["Roadmap to Recovery."](#)

During remarks Thursday, May 7, the Governor unveiled the guidelines and protocols for reopening businesses in Nevada, including Humboldt County.

Commissioners will meet beginning at 4 p.m. Friday, May 8, to discuss the governor's recommendations and how they will apply to area business owners and employees.

"The Commissioners want to explore the Governor's 'Roadmap' in detail together and ensure they have considered every aspect of this initial plan," said Humboldt County Manager Dave Mendiola.

The Governor's plan calls for some businesses, including gaming establishments, to remain closed through Phase One.

However, the plan allows other businesses to reopen with restrictions, such as restaurants; barber shops, hair salons and nail salons; and retail businesses.

All businesses opening or continuing operations will be required to adopt measures to minimize the risk of spreading COVID-19, including social distancing, sanitation measures, and required face masks for employees.

Mendiola said commissioners will consider formally accepting the Governor's plan; the "Roadmap" also provides latitude for officials to tailor specific requirements per each county's needs or specific circumstances.

The public may access the meeting by teleconference or video conference only. By phone, dial: +1 702-935-0127 and enter Conference ID: 730685489#; for video conference: [Join Microsoft Teams Meeting](#).

Public comment will be designated at the beginning and at the conclusion of the meeting.
