## HUMBOLDT COUNTY CONFIRMS 13<sup>th</sup> COVID-19 DEATH

WINNEMUCCA, Nev.— Humboldt County has confirmed its 13<sup>th</sup> death from COVID-19.

Humboldt County Health Officer Charles Stringham, MD, said, the man, who was in his 60s, was hospitalized at the time of his death on Friday, January 22.

“This is very sad news to share,” said Dr. Stringham. “We offer the family and friends of the deceased our deepest and most heartfelt condolences. We hope they will be filled with peace during this difficult time.”

Dr. Stringham reminded residents to keep each death in mind as they make decisions regarding masks, social distancing, hand hygiene and gathering.

“By not doing the right things, we could potentially contribute to another person’s sickness—a sickness that could lead to their death,” he said.

“While we might not see the immediate outcomes from our choices, lack of precautions will lead to COVID and COVID can lead to disability and death.”

Dr. Stringham added, “I implore you to do the right things: put away your own political or social beliefs and join us in being part of the solution to the most devastating public health crisis we have ever faced.”

To prevent the spread of COVID-19 in Humboldt County:

- Stay home to limit exposure, and wear a facial covering if going out in public is necessary.
- Maintain 6 feet of distance from other people at all times.
- Wash hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid visiting sick people or those who are self-isolating.
- Avoid touching eyes, nose, and mouth.
- Cover coughs and sneezes with a tissue, and throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.
- Self-isolate if they have had a known exposure, or if they are awaiting COVID-19 test results.
- Stay informed. The COVID-19 situation is changing frequently. Up-to-date information is

available on the Centers for Disease Control and Prevention (CDC) [website](#).

COVID-19 testing locations in Humboldt County include:

- **Humboldt General Hospital Screening Clinic** - Offers drive-thru screening for asymptomatic persons from 8 a.m. to 5 p.m. Monday through Friday (closed from noon to 1 p.m. for lunch), and by-appointment screening with a provider for symptomatic persons from 8 a.m. to 5 p.m. Monday through Friday (closed from noon to 1 p.m. for lunch; call 775-623-5222, ext. 1379 to schedule an appointment). Located at 51 E. Haskell Street, across from Humboldt General Hospital.
- **Golden Valley Medical Center** - Private clinic owned by Nevada Gold offers screening for asymptomatic and symptomatic persons. Call (775) 625-4653 for an appointment.
- **Ridley's Pharmacy** - Offers in-vehicle, self-administered asymptomatic and symptomatic testing. Go [here](#) and follow the prompts to schedule an appointment.
- **HGH Emergency Department** - Those who experience severe COVID-like symptoms should go directly to the HGH Emergency Department, which is open 24 hours a day, or call 9-1-1 for emergency assistance.
