HUMBOLDT COUNTY REPORTS 122 NEW COVID-19 CASES

WINNEMUCCA, Nev. — Humboldt County has been notified of 122 more positive cases of COVID-19, from Friday, September 24, through Thursday, September 30, raising the overall cumulative total to 1951.

In all, the county has 1738 recovered and 193 active cases. Nine local people were hospitalized and released during the week; 10 other COVID-19 patients remain hospitalized. In all, 20 county residents have died, including two this past week.

Humboldt County Health Officer Charles Stringham, MD, continues to recommend that unvaccinated and vaccinated individuals wear masks while indoors or while in crowded outdoor settings. He also continues to recommend that all eligible residents get fully vaccinated with the two-dose Pfizer or Moderna vaccines.

In other news:

- Humboldt County has confirmed 530 new cases of COVID for the month of September, making it the county's highest month for new confirmations since the pandemic began. In June, July and August 2021, the county confirmed 19, 33 and 166 cases respectively.
- Of September's 530 cases, 32—or 6%—were fully vaccinated; three were partially vaccinated; and 94% were unvaccinated. Of August's 166 cases, 13—or 8%—were fully vaccinated; seven were partially vaccinated; and 88% were unvaccinated.
- Humboldt County has had four breakthrough infections, meaning a fully vaccinated person who was hospitalized. All four persons have since been released. Per the information provided by the State of Nevada, Humboldt County has not had any vaccinated deaths.
- Humboldt County remains a high risk transmission area according to the Centers for Disease Control [county tracker](#). Humboldt County's average number of tests is **335** (364 on October 1); case rate is **1,864** (2,004 on October 1); and test positivity rate is **23.5%** (25.1% on October 1).
- Currently, 38% of Humboldt County's population has initiated vaccination and 34% has completed vaccination. In all, 46% of the population over age 12 has initiated vaccination.

Based on available information, close contacts of the newest Humboldt County cases are being notified and are following self-isolation procedures to prevent community spread of the virus.

Brief summary information of Humboldt County's latest cases follows:

Case #	Gender	Age Range	Contact	Status
1829	Man	60s	Under investigation	Self-isolating

*Past hospitalization means the person was hospitalized sometime during the past week (since the previous reporting period) but has since been released.

The following vaccination opportunities are available to Humboldt County residents:

- **Ridley's Pharmacy** is offering the Moderna, Pfizer and Johnson & Johnson vaccines to Humboldt County residents age 18 and older. No appointment is necessary; drop by anytime between 9 a.m. and 6 p.m. Monday through Friday, not including holidays.
- **The Walmart Pharmacy** is offering COVID-19 vaccines to all individuals age 12 and older, including the third dose booster for immunocompromised persons. Vaccine type depends on

age and availability. No appointment is necessary; go to the pharmacy drop-off window to ask for assistance.

- **The Community Health Nurse** is offering vaccination appointments to all individuals age 12 and older. The Moderna and Pfizer third doses are available for immunocompromised persons; additionally, the Pfizer third dose is available for law enforcement, medical and first responder personnel. Please call (775) 623-6575 to schedule.

Local COVID-19 information is available in Spanish [@CovidEspanol](#). Humboldt County COVID-19 updates and information are available in English at [@HumboldtCountyNV](#), at www.hcnv.us and at [The Humboldt County Report](#).

Humboldt County has established a COVID-19 vaccine recorded information line in both English and Spanish. Call (775) 375-3200 to hear the latest about vaccine allocations, local distribution opportunities and changes as they occur. The line is updated with new information every Friday (not including holidays), or as needed. Information is also available by emailing vaccine@humboldtcountynev.gov.

Humboldt County has a supply of personal protective equipment, including facial masks and hand sanitizer, available to local businesses. To request supplies, businesses should call the Humboldt County Comptroller's office at (775) 623-6467.
