

PRESS RELEASE

HUMBOLDT COUNTY BOARD OF COMMISSIONERS
PUBLIC WORKSHOP

Monday 21, 2001 at 6 p.m.

Grass Valley Elementary School Multipurpose Room
6465 South Grass Valley Road
Winnemucca, Nevada

GRASS VALLEY ON-SITE WASTEWATER AND DOMESTIC WELL MANAGEMENT PROGRAM

Presented by George Ball Consulting Water Engineer and Jim Arden

To conduct a public workshop to advise the residents of Grass Valley on the benefits and estimated costs of an onsite wastewater and domestic well management program in the Grass Valley area. The agenda will include the background of the County's Grass Valley Groundwater Monitoring Program and the study conducted by the University of Nevada Department of Civil Engineering and the conclusions from the two programs. In addition the alternatives, the management program and where to go from here will be discussed.
